Professor Steven Broomhead
Chief Executive
Warrington Borough Council
Town Hall
Sankey Street
Warrington
WA1 1UH

Dear Professor Broomhead,

Stockton Heath Parish Council Response to the Sandy Lane Community Recycling Centre Consultation

The parish council in Stockton Heath would like you to consider this written response to the current consultation above. The online consultation documents do not lend themselves to a corporate response and therefore the council are submitting this prose response in lieu.

Stockton Heath Parish Council accept that the location of the Sandy Lane Community Recycling Centre is not ideal but do regard the provision of a service of this kind to be of utmost importance in delivering recycling opportunities to residents living south of the River Mersey. The parish council would ask that the facility at Sandy Lane remain operational until such time as a similar or better facility south of the River Mersey is provided and operational, to ensure continuity of service provision and encouragement to recycle to residents who reside in this large area of Warrington.

The Parish Council would also request that timely updates are provided in order to facilitate the parish council's dialogue with the concerns of residents regarding this matter. All correspondence should be sent to the clerk in the first instance, contact details above.

Yours sincerely

A handwritten signature in cursive script that reads 'Lara Jacob'.

Lara Jacob

Clerk to the Council
